Bob

We have completed the speed surveys and traffic counts. To complete the reports I am looking for the following Curb to curb and right of way widths for each segment . Also can the Police give me one year of accident data for each segment.

The results of the speed surveys are

Ramon road	Posted	85th % Speed	recommended speed
Date Palm to vis Campanile	45 mph	50 mph	50 mph
Via Campamile to Da Valle	50 mph	52 mph	50 mph
East Palm Canyon			
Golf club to Perez road	40 mph	41/42 mph	40 mph
