

RESOLUTION NO. 2017 -

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF CATHEDRAL CITY, CALIFORNIA, APPROVING A CAPITAL IMPROVEMENT PROGRAM (CIP) FOR FISCAL YEARS 2018 THROUGH 2022.

WHEREAS, the City Council has received the proposed summary of CIP approved projects for Fiscal Years 2018 through 2022; and

WHEREAS, the City Council reviewed said CIP of planned projects and conferred with the City Manager and the Administrative Services Director; and

WHEREAS, the City Council desires to adopt the CIP of planned projects for the five-year period; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Cathedral City as follows:

SECTION 1. The City Council does hereby adopt the five-year CIP of planned projects for Fiscal Years 2018 through 2022, a summary of which is attached hereto and made a part of hereof, and amounts are thereby allocated to the departments, projects, and activities. These amounts are subject to existing priorities and available funds.

SECTION 2. Since budgets for Capital Improvement Projects are appropriated prior to the commencement of the individual project, the attached CIP is intended to be a planning document only. The adoption of the attached CIP identifies the amounts planned to be expended during the FY 2017-18 and FY 2018-19 budget periods and in each of the subsequent three fiscal years.

SECTION 3. Each project in the attached CIP has previously received independent final approval from the City Council.

SECTION 4. The funding for each previously approved project is based on the anticipated funding mechanism as of the current date.

SECTION 5. The City Manager or the Administrative Services Director shall have the authority to adjust amounts within each fund, provided however, the total amount for the CIP project does not exceed the amount approved for the CIP project.
