General Information

Our in house security is made up of two people from our company personnel and are fully dedicated to the safety and protection of our patrons as they also provide guidance in and around the circus tent show.

Our circus tent is in full compliance with all the sections of the 2012 California Uniform Fire Code Title 24 Part 9 of the California Administrative Codes. We also have appropriate certification of Flame Proofing for the circus tent. A fire lane is maintained on all sides of the circus tent. The emergency exits are well lighted and clearly visible from any direction inside the tent and throughout to guide our patrons to safety in case of an emergency.

Restroom facilities are provided for the comfort of our patrons. The facilities are hired from a local company and are cleaned, sanitized, pumped and filled with chemicals as needed.

Recorded music beds are utilized for the performance and single microphone is used for the pertinent announcements. The sound is kept at an appropriate level and only inside the big top.

There are no alcoholic beverages served or sold what so ever. Only traditional circus concession items such as popcorn, soft drinks, cotton candy, hot dogs, snow cones, bottled water and nachos is what we cater to our patrons.

Our power is supplied from a 150KW generator enclosed in a 48 foot trailer with ventilated windows always parked 25 feet from the tent. A 100 gallon holding diesel tanks is next to the generator and a fire extinguisher is ready and available.

The circus contracts commercial waste management services at each location for trash removal. A 30 yard open top container is requisitioned and it is emptied as needed. The site is cleaned daily and it is returned to a as was condition after the final performance before the departure of the circus.

Our circus is professionally managed and directed by executives that have worked in the entertainment industry for more than thirty years. We provide a quality, world class, family entertainment service to enhance the life and lift the spirits of the community, creating a delightful sentiment and leaving a lasting impression in the heart of the same.

General Information

Circo Hermanos Caballero is a family owned and operated European style Big Top Traveling Circus. The performance is one hour and 45 minutes, with a 15 intermission.

The Caballero family is committed to provide enchanting and delightful, high quality wholesome family entertainment to the American public in a safe and pleasant setting. State —of-the-art lighting and sound systems combined with theatrical and special effects are coupled and intertwined with superb artistry to produce a tapestry of awe, amazement, wonder and admiration that spellbinds the senses and emotions of the audience. There are no wild animals in the show, neither performing or for exhibition. It is definitely a high quality circus delivering a world-class performance.

The two-hour performance is presented in a European/Latin style, combined the best circus elements of both continents. The performance takes place in a one-ring stage with the audience at a comfortable distance. This yields a first —class performance. The spectators can better appreciate the show, and the players can enjoy the audience's undivided attention. Theatrical style, lighting, and a modern sound system provides an exuberant and vivacious circus experience. Jugglers, acrobats, dare devils, clowns, contortionists, flying trapeze artists and aerialists are the acts presented in our show.

It is in no manner a carnival. We do not offer any games of chance, mechanical rides, freak shows, or exhibitionists of any kind. We are a wholesome family entertainment serving the community by fostering the continuity of an age-old family tradition, yet in doing so we present it with a modern touch.

Circuses are indubitably, a cultural event, but more so a wonderful and delightful experience that brings families together for two hours of solid fun and excitement creating starry-eye memories that will be cherished throughout a lifetime. Circo Caballero has the ability to capture the hearts and imagination of the young and old alike, casting a "magical" spell over the spectator leaving them with eyes wide open (and often mouths wide open!), as the audience watches in awe and disbelief the incredible and daring feats of the young men and women who fly through the air great elegance, gracefulness and incredible ease, like bird in flight.

Our circus is professionally managed and directed by executives that have worked in the entertainment industry for more than thirty years. We provide a quality, world-class, family entertainment service to enhance the life and lift the spirits of the community, creating a delightful sentiment and leaving a lasting impression on the heart.
