Road and City Mobility

February 4, 2015

Mr. Pat Milios
City of Cathedral
68-700 Avenida Lalo Guerrero
Cathedral City, Ca 92234

Job Name: Re-Pull Intersection & Add Left Turn Phases for East & West directions
Job Location: Date Palm @ 30th

Dear Mr. Milios:

We are offering to perform the following work, on the terms and conditions stated below and hereof, and at the prices shown, as follows:

We will set up the needed traffic control, remove the (e) deteriorated wires and clean out the conduits. Supply and pull in new TS conductor cable, EYP, SL and SNS wires. Install (2) new 3 section heads with arrow LED's for LT (E&W). Change out the LED's on the 10' pole to LT arrows. Install angel visors (3) to the E/B direction LT, make head alignment adjustments. Supply and install load switches, a new program card and pull in the needed conductor into the mast arm for the new LT heads. Make all connections and check operations. Schedule lead time is 3 to 5 weeks ARO. Work will take approximately 3 days to complete. New timing sheet will need to be provided by City for the added LT phases.

Labor, Materials, and Equipment\$ 34,660.00

Note* New timing sheet will need to be provided by City for the added LT phases.

*Only the items listed above are included in this proposal, if any additional work or damages are found the City would be notified at that time for additional authorization. Re-pull does not include "SIC" cable replacement or installation.

This offer shall expire 60 days from the date hereof and may be withdrawn by us at any time prior thereto with or without notice. This offer supersedes any prior offers, commitment or orders, contains all terms, conditions and warranties and when accepted, constitutes the entire contract between the parties. The resulting contract shall not be modified except by formal written amendment. This offer shall be accepted by delivery of a copy of this offer duly signed by you in the space provided below.

The foregoing offer is hereby accepted this _____ day of _____, 2015.
