A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
CATHEDRAL CITY, CALIFORNIA, APPROVING AND
ADOPTING THE "2017 CATHEDRAL CITY BUILDING AND
CANNABIS PROCESSING FEE REVIEW
RECOMMENDATIONS"

WHEREAS, on May 5, 2017, the City Council directed staff to perform a complete review and comparison of building permit and application processing fees and medical cannabis processing and inspections fees, and to bring recommendations back to the Council for adjusting said fees; and,

WHEREAS, in compliance with the Government Code section 66016, the City Council held a duly noticed public hearing on the proposed fees at its regular meeting on July 26, 2017, at which time the "2017 Cathedral City Building and Cannabis Processing Fee Review Recommendations" were presented to the City Council and the public was provided an opportunity to comment on said recommendations.

NOW, THEREFORE, the City Council of the City of Cathedral City does hereby resolve as follows:

Section 1. CEQA Findings. The City Council hereby finds that the adoption of this Resolution is not subject to CEQA review pursuant to CEQA Guideline 15378(b)(4), which provides that the creation of government funding mechanisms or other government fiscal activities that do not involve any commitment to any specific project are not projects subject to CEQA review.

Section 2. Mitigation Fee Act Findings. The City Council hereby finds that the 2017 Cathedral City Building and Cannabis Processing Fee Review Recommendations reflect the City's estimated reasonable cost of providing the services for which the fees are charged.

Section 3. Adoption of Fee Recommendations. The 2017 Cathedral City Building and Cannabis Processing Fee Review Recommendations attached to the Staff Report for this resolution and incorporated herein by reference are hereby approved and adopted.
