Dear Tracy,

I am interested in serving on the Parks and Community Events Commission. I have always sought to be involved in the communities where I have served a church. City Councilwoman Joy Picus named me her Pioneer Woman of the Year in 1990 for my work in helping the Community of Reseda, reclaim an affirming identity by rediscovering the significance of the Reseda flower (aka the Migñonette). The plant was virtually unknown and had disappeared from the landscape altogether. My congregation and I launched a campaign to **Reseed Reseda with the Reseda**. We grew hundreds of Reseda seedlings and distributed them to the city public works, businesses and members of the community to decorate the city with its flower once again.

I have lived in Cathedral City for almost eleven years and have had little time to get to know my city, as I work a demanding job in Palm Springs. In June I will be retiring from my full-time job as the pastor of the Palm Springs United Methodist Church. I would like to invest my time, gifts and ideas in this growing city.

Sincerely,

Amanda J. Burr

Re: Park and Community Events Commission

To whom it may concern;

In regard to the open vacancy on the above committee, I believe I would be an asset to the city with my past experience. I have been an Activities Director at two different resorts totaling over seventeen years. My current position at Outdoor Resort is located here in Cathedral City and I have had dealings with the city staff so I am aware of many of the procedures. I have decided to leave my current position on May 1st in order to spend more time with my family. I will have time to work with the committee on any projects that would assist in making our city an even more active community. I am familiar planning concerts, dinners and excursions plus many more activities. Thank you for your consideration.
